

TNT 250ML

nxtnutrition.com

TNT is a pre workout energy drink designed to boost energy and delay fatigue.

By combining caffeine and B Vitamins and N-Acetyl-I-Tyrosine, TNT will improve alertness, focus and stimulate your energy systems almost immediately.

We have added 2 grams of Arginine AKG to dilate blood vessels and allow more blood flow to help deliver nutrients to your muscles.

Beta Alanine is added to boost muscle carnosine levels which helps buffer lactic acid.

We have further added Acetyl-I-Carnitine to help promote the use of fat stores an energy source to fuel your workouts!

TNT is ideal for anyone looking to improve focus and energy pre workout, enabling them to train harder for longer.

For best results try stacking TNT with Amino Fuel.
